XIV. GENERAL PROVISIONS.			
1	The terms "UniCredit Bank" and "Bank" used in these Terms and Conditions mean the Joint Stock Company "UniCredit Bank".		
2	Commission rates established by these Terms and Conditions are quoted on the basis of the usual banking practice of effecting operations, therefore the Bank will charge special commissions for additional work originating from a particular operation as well as for execution of non-standard operations. At the conclusion of the agreement for services within the tariff plan, the Bank shall charge fees and commissions in accordance with the rules of the tariff plan.		
3	The Bank's expenses incurred as a result of execution of the customers' orders (telecommunication expenses, commissions of correspondent banks and third parties, etc.) shall be reimbursed at their actual cost. The Bank shall recover actual expenses by debiting the customer's account on the day the operation is performed. The amount of expenses may also be withdrawn from the customer's account on the day when the expenses are incurred. If the actual expenses in foreign currency are recovered in Rubles the exchange rate of the Bank of Russia shall be applied as of the day of the recovery.		
4	No commission is charged by the Bank for execution of transactions related to payments in favor of all level state budget bodies' accounts and state non-budget funds' accounts.		
5	Commissions and expenses of the Bank shall be charged to the ordering customer unless his payment instructions provide for different. In case when bank commissions and expenses are as per customer's instructions to be collected from the third parties but cannot be obtained by the Bank, the said commissions and expenses shall be charged to the ordering customer.		
6	Commissions are charged in the currency of an account debited according to the customer's instructions, conditions of agreement or requirements of the legislation. If a currency of the above account and a currency of a commission are different commission is charged at a following exchange rate as of the day when they are levied: quoted by the Bank of Russia – if a currency of commission or a currency of account is Ruble, quoted by the Bank – in other cases.		
7	These Terms and Conditions involve a series of operations performed by order of correspondent banks. In respect of above operations these Terms and Conditions shall apply in case the commission for execution of these operations is charged to the customer's account.
